<https://shamdasani.org>

## EDUCATION

---

**Saint Peter's Preparatory School**

Jersey City, NJ

Class of 2019

GPA: 4.09/4.5

## PROJECTS

---

**Enlight** - Learn to Code by Building Projects

<https://enlight.nyc/>

Enlight is an open-source collection of articles and tutorials to enhance the process of learning to code. With over 200,000+ page views and 1,700+ email subscribers, users create mini projects from which they can expand upon.

**Blink** - Communication for ALS/locked-in syndrome patients

<https://blink.care/>

PennApps XVI Winner - Best Health Hack & Most Unique Hack

Blink is a communication tool for those who cannot speak or move: blink out letters and characters in morse code to spell out words, and in real time from any device, your caretakers can see what you need.

**Peters** - An app for students of Saint Peter's Prep

<https://github.com/shamdasani/peters>

This app enables students to check their schedule, school calendar, lunch menu, letter day, access PowerSchool and Schoology, and log their homework.
